Upcoming Community Stakeholder Meeting Locations

Background

The State Departments of Mental Health (DMH) and Alcohol and Drug Program (ADP) will be convening a series of community stakeholder meetings throughout California. The meetings will inform individuals of changes related to the transfer of responsibility for State Mental Health as well as Alcohol and Drug related duties to other entities. The focus of these meetings is to listen to input from key stakeholders and discuss ways in which participants can contribute to the success of the transition.

If you have any questions or for further information please call Public Information Officer, Lynn Neuenswander at (909) 382-3179 or contact her via email at lneuenswander@dbh.sbcounty.gov.
